

Gymnastics March 2014

Exhibition Meets

Each May we hold an exhibition meet for each of our gymnastic classes, including the Mom & Tot, Preschool and Boys classes. There is not an additional charge for this.

Each gymnast learns a routine that they can perform for their families and friends. At the end of each meet, gymnasts are recognized and receive awards. Each meet last about an hour. It is very fun and an exciting time of year!

We are beginning to teach the recreational gymnasts their routines. It would be very helpful if you would ask them to show you what they have learned that week. This helps the gymnasts to practice and to prepare to perform for their family and friends.

Watch for more information to follow about dates and times.

Dates to Remember!

Spectators:

We greatly encourage family and friends to watch their gymnast during class time. For everyone's safety, please sit in the above mezzanine area and closely supervise any children not participating in class.

Parents of Preschoolers:

Our policy is that a parent stays in view of the coach during their preschooler's gymnastics class. Please do NOT leave the facility, use the track or other equipment during their class. If your gymnast needs a potty break or some extra attention, we will need your assistance. Thanks for your help with this matter!

Trade: If you are interested in doing trade (setting up and tearing down equipment) for your gymnast's tuition, please contact -
